

# MANHATTAN

Multi Temperature merchandiser.

# MANHATTAN

A NEW DIMENSION OF PLUG-IN CABINETS:  
SMALL FOOTPRINT, BIG SALES PROMOTION.

Our innovative MANHATTAN makes for maximum sales promotion with minimal space requirements. It offers an impressive thought-out and economical retail refrigerator concept. This feature offers completely new possibilities at the POS and makes the MANHATTAN a flexible and universal solution for individual or row placement.

## KEY BENEFITS

- Increase energy savings compared with traditional units
- Energy efficient design
- Environmentally friendly natural refrigerant propane (R290)
- **AHT E-CONOMIZE**  
Additional energy saving due to extensive optimization of technology and construction
- Synthetic interior casing allows for easy cleaning
- Frost free\*
- 100 % CFC- and PFC-free
- Plug-in System (120V) – no floor drain required
- Low investment and operation costs
- Little to no maintenance
- Consistent interior temperature within 2 °F of set point
- Consumers can shop both sides at the same time without interference
- Adjustable false bottoms reduce labor and allow flexibility in product merchandising
- Perfect for holiday & bulk items (i.e. turkeys, ham, etc.)
- Multi Temp Mode offers different temperature ranges that can be changed at the push of a button

## TEMPERATURE RANGES

- Refrigerator            ≥ 32 °F
- Freezer                 < 32 °F
- Ice Cream Freezer     < -5 °F

## HIGHLY FLEXIBLE

- As a stand alone unit
- As a line up

## OPTIONS

- Brilliant LED lighting system which enhances product display and drives sales
- Impact protection bumpers
- Skirting reduces water, dirt and dust from getting under the cabinet
- Adjustable false bottoms and dividers
- Optional paint to most RAL color

Set of price tag and sign holders included with every unit (some assembly required)

### NEW SYNTHETIC INTERIOR CASING

Synthetic interior case for higher product quality, easier cleaning and improved defrost water drain.

### THE PERFECT SOLUTION – BUILT IN AUTOMATIC DEFROST (AD)\*

Regular defrosting ...

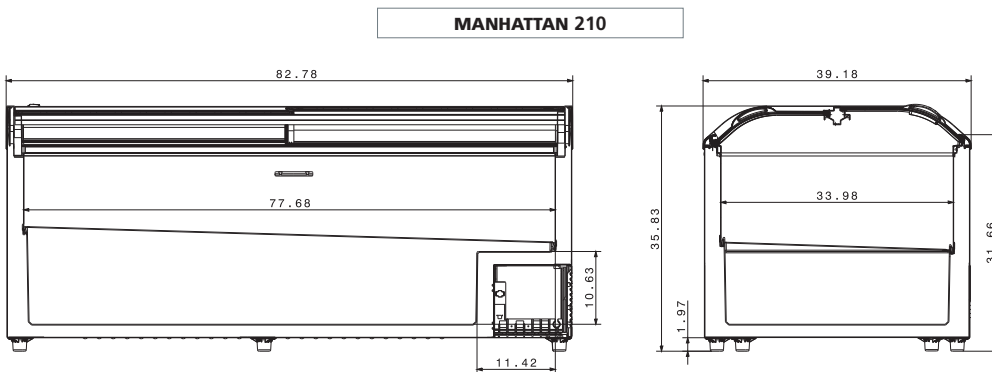

... with goods kept at a constant temperature

\*Only available in Refrigerator and Ice Cream Freezer Mode

## MULTI-MODE CABINET (MT, LT, IC) MANHATTAN 210

		Medium Temperature IAT*	Low Temperature IAT*	Ice Cream Freezer IAT*
Net Content	cu.ft	18,11	23,3	27,11
Total Display Area	sq.ft	15,12		
Adjustment Temperature Range	°F .. °F	From +28 to 47	From -2.2 to +8.6	From -22 to -5.8
Nominal Power Consumption Cabinet	W	420		
Nominal Current	A	7,6		
Energy Consumption kWh	kWh/24h	2,73	4,63	7,97
Refrigerant Type		R290		
Nominal Voltage/Frequency	V/Hz	110 – 120/60		
Physical dimensions				
Length outside/inside	inch	82.8/77.68		
Depth outside/inside	inch	39.17/33.98		
Front access height/height outside	inch	31.65/35.83		
Height inside front/rear	inch	26.93		
Stacking height (is basket height for meat colling)	inch	14.96	19.29	22.05

\* Internal Average Temperature

For version AD/U the inner dimensions are reduced due to the necessary use of wire grids along the inside walls.
